

Living Waters Aeration Limited Warranty

Living Waters Aeration warrants all products to be free of manufacturing defects for a period of one year from date of purchase.

The ground fault circuit interrupter (GFCI) cord is covered for an additional one year warranty from the manufacturer.

The warranty is not transferable.

The warranty does not cover failures resulting from the following:

- Use of non-factory authorized parts.
- Corrosive damage resulting from improper storage with oxidizing pool chemicals.
- Improper electrical voltages or wiring.
- Vandalism, accident, flooding, fire, negligence, acts of God, alteration, tampering or misuse.
- Failure to properly operate the product according to the User's Manual included with each Watercannon.

This is a parts warranty only. We are not responsible for any labor charges incurred while replacing the defective part. Living Waters Aeration will authorize the return of the defective part and supply the customer with a new part. All replacement parts are warranted from the date of initial Watercannon purchase.
